ABOUT THE ISLAND

This stunning island is approximately 40 minutes away from downtown Auckland by ferry and boasts 92 square km of beautiful beaches, vineyards, olive groves, art galleries and laid back seaside villages. From ocean kayaking and mountain biking, to bush walking and picnics on the beach, there are many ways to enjoy the island's natural beauty.

VINEYARDS

No visit to Waiheke is complete without enjoying some local wine tasting. With its ideal growing conditions of hot dry summers and stony soils, Waiheke produces some of New Zealand's best red wines. Several vineyards also have excellent restaurants.

BEACHES

The best beaches on the island are on Waiheke's north coast. Oneroa, Little Oneroa, Palm Beach and Onetangi Beach are all great for swimming.
