

Congratulations on your engagement!

Fullers360 can provide ferry and bus transfers for your wedding guests to and from your wedding venue. Build your own itinerary using our main Waiheke bus route and take your wedding party to vineyards, seaside villages or a Zipline adventure before the nuptials!

Ferry transport options

Group Discount - we can offer a group discount should you wish to purchase ferry tickets on behalf of your group. Just make one group booking and one payment to receive this special discount*

**Discounts apply to adult return fares only*

Wedding Register - If your guests are purchasing their own ferry ticket you can register your wedding with us so your guests can receive a discount off the standard ticket price. By registering and providing us with a copy of your invitation, anyone in your party simply presents their invite to our ticket staff at the ferry terminal.

For discount ferry prices or to find out more, please contact our charters team.

Bus transfers

Our bus fleet consists of 19 - 51 seaters, providing wharf-to-venue coach transfers for your special day.

Want to design your own bus journey itinerary to your transfer? Using our main bus route you can add an extra 5 pick up/drop off locations* to the main loop.

Your final itinerary, driver event sign and on the day contact details will need to be locked in with our bus company 6 weeks prior to the big day.

For bus charter prices or to find out more, please contact our charters team.
